

```
#include<stdio.h>
int main()
{
    long num,sum = 0;
    int count,i;
    scanf("%d", &count);
    for(i=0;i<count;i++)
    {
        scanf("%ld",&num);
        sum = sum + num;
    }
    printf("%ld",sum);
}
```
